

Inspiring Workplace and Community Engagement

NewcleusGives

- ✓ elevates company culture
- ✓ increases connection among team members
- ✓ supports clients and their communities
- ✓ empowers charities
- ✓ inspires workplace and community engagement

NewcleusGives is our workplace giving program, inspired by our team's values and desire to solidify our Corporate Social Responsibility initiative.

Since its inception in July 2021, NewcleusGives has allowed us to embrace the philanthropic spirit of our company, focusing on elevating the communities we serve and the organizations our clients and employees support.

We are stronger together.

Let us show you how NewcleusGives can strengthen your own Corporate Social Responsibility efforts.

NewcleusGives connects all of the volunteer activities Newcleus employees and clients have supported over the years, putting them under one umbrella. Together we support the organizations that have inspired us, as we collaborate to make a greater impact.

Activities include:

Park cleanups

Holiday donations for children's programs

Quarterly team volunteer days

Matching gifts program for employee philanthropy

Charity check giveaways

PTO for independent charity work

Some of the organizations we support include:

Bucks County
Parks & Recreation

LOS ANGELES
BOYS & GIRLS CLUB

NewcleusGives

NewcleusGives reflects our passion for philanthropy and our understanding of how Corporate Social Responsibility (CSR) builds a strong, community conscious workplace. Newcleus encourages volunteering and team bonding to boost employee morale, improve the workplace atmosphere and support the social fabric of the communities where we live and work.

CSR Programs

Looking to enhance your own charitable efforts? Newcleus is here to help you make a positive impact in your community and in your workplace. To learn more, contact debraporter@newcleus.com.
